

PWS Network presents: On-line learning

Successfully Supporting People with Prader-Willi Syndrome

This introductory course offers best practices
in working with children, youth and adults with PWS

This Course will:

- take you through nine modules, 30-90 minutes each,
- allow you to stop & start at your convenience,
- allow you to complete the course at home or work,
- and receive a certificate for completion

Managers – you can review your staff's results!

Affordable:

- \$25.00 Individual
- \$300.00 Organization (for maximum of 50 learners within 12 months)

This course will benefit anyone working with people with PWS.
